I have been a GM guy pretty much my whole life. But I am not a non-GM hater. I respect anything that is fast and tasteful. I like to cruise and drag race. I have had both rides since new and slowly made changes to my taste. I prefer the factory look and try to keep it that way. Plans for the Camaro are to one day be boosted. For now I will just make the most of what I have and pray it stays together for a while. For the truck, a Kenny Belle kit may be in its future but for now will be left as is. See you on the street!
