 In anticipation of the fast approaching [Mustang Week](http://www.mustangweek.com) 2017, [JD Joyride TV](https://www.youtube.com/user/JDizzleGT500) and crew met back up with fan favorite [Bianca Owens](index.php/featured-rides/featured-articles/279-bianca-owens-shockerracinggirls-a-jd-joyride-tv-video-shoot) for another video shoot. ♦ Apparently, Bianca was not too happy with JD after a misunderstanding at American Muscle Mustang show a few weeks back... Hit the link to watch the video and see if they made up:
