// <p><a href="index.php/media/images/image?format=raw&type=orig&id=6836" target="\_blank"></a>ShockerRacing has a new girl on our team from the big state of Texas. Introducing Angie Moltzan from Allen, TX. Angie braved the rain to show off a 2008 Z06 Corvette in her first feature as well as one of our most popular items, ShockerRacing's <a href="https://mkt.com/shockerracing/item/black-crop-top-t-shirt-sr-girls-original" target="\_blank">You Can't Park With Us Crop Top</a>. Our gear gets many fans attention and Angie's shoot is no exception. ♦ Angie tells us ♦ I got into ShockerRacing because I model lots of cars and trucks and ShockerRacing is a brand just for that! I love the idea of a line of apparel for car models. ♦ </p> <p style="text-align: center;"><a href="index.php/contact" target="\_blank"></a></p> <p style="text-align: center;"><a href="index.php/media/images/image?format=raw&type=orig&id=6827" target="\_blank"></a></p> <p style="margin:0px;line-height:normal"><span style="font-size: 12.000000pt; font-family: 'TimesNewRomanPSMT';"><span style="font-size: 12.000000pt; font-family: 'TimesNewRomanPSMT';"><a href="index.php/component/banners/click/55" target="\_blank"></a></span></span></p> <p style="text-align: left;">Our newest model is actually a truck lover. She was introduced to the car scene by her significant other. The two would attend car meets like a local Cars and Coffee and show off their trucks. Thats right, Angie drives a 2015 F150. She tells us, ♦ It has a 2.7L Ecoboost. His name is Big Snout and he is a show truck. I got him July of 2016. He was purchased fully stock with Tuxedo Black paint ♦ and since then I have leveled it, put 33 inch All Terrain Nitto G2 tires on it, put a new stereo system in him with a single 10 inch subwoofer. It also has pink Raptor wheels, a bull bar, pink under glow and pink interior seats in it. He won Best Domestic Truck at Import Face Off 2017 ♦ in Ennis, TX and I plan to do quite a bit more to him. ♦ We hope to see Angie pose again for us with this beast.</p> <p style="text-align: center;"> </p> <p style="text-align: center;"><a href="index.php/media/images/image?format=raw&type=orig&id=6841" target="\_blank"></a></p> <div style="float:right;"> // </div> <p style="text-align: left;">Angie tells us, because she loves trucks so much, during the summer of 2017 she started a truck club called Texas Offsets (Instagram @texasoffsets). She also occasionally works with the Headturners family at the Fort Worth branch. You can find Angie at ♦ Friday ♦ Night Drags at Texas Motor Speedway. Angie tells us ♦ Its a big event every ♦ Friday ♦ night during the summer. There's drag racing for anyone who wants to race, there's a Show N' Shine for the competitors and you can also take a couple laps around the track. I went last summer every weekend and did the laps around the track and then the last week I raced my friend who also has a truck. I got my ass whooped. Best show to go to

because you can park in the lot inside the track and hundreds of people go. ♦ We hope Angie represents us well at this event. We could use more truck loving ladies!</p></div>

Get to know Angie more! Read the rest of her interview here:</p></div>

<br />SR: If ShockerRacing was going to pay for any mod to your car no matter what the cost, what mod would you choose?<br />Angie: I would definitely want an exhaust system. Right now my truck sounds like a Prius so it would be fun to hear the turbos in my truck.<br /><br />SR: What was your first car?<br />Angie: My first car was a 2010 Honda CR-V. It was dark blue and I named him Huey the Honda. He was only a 4 cylinder with like 170HP but I drove it like it had 400 horsepower. I put in pink zebra interior to spice it up with pink fuzzy dice.<br /><br />SR: What is your dream car? <br />Angie: This is a tough one. I am a truck girl among muscle cars so I ♦ have like two favorites at the moment. For a truck, I would definitely get a Raptor. They are mean looking and fast for a truck. I love the build and the 6.2L V8 engine and of course it's a Ford so its going to be my top pick. I would get a black one and accent it with pink like my truck now. For a car, I really love the 5.7L Hemi Challengers. My dad owns a special edition Shaker Challenger and I love driving it around. I was online a couple months ago and there was a metallic Pink Hemi Challenger and I was very close to test driving it. When I contacted them, they had sold it that morning. It had white and pink leather seats, premium stereo system and even under the hood was coated in ♦ pink. It was beautiful!</p></div>

<br />SR: If you could travel and have your vehicle anywhere in the world, where would you go? ♦<br />Angie: Definitely Germany! I want to drive as fast as I can without consequences so I would drive on the Autobahn.</p></div>

<a href="index.php/media/images/image?format=raw&type=orig&id=6842" target="\_blank"></a>SR: Who is your favorite previous ShockerRacing Girl, and why? <br />Angie: Angie Reed. I saw Angie's feature and me and her had a lot of similarities, besides the name! She is in insurance and I am too. ♦ So I messaged her and since then we have become great friends! She actually came to Texas for a shoot with me and that's when we did the <a

<br />SR: What would an ex say is your best asset? <br />Angie: I always get told I'm a hard worker.</p></div>

<br />SR: What is your biggest pet peeve? <br />Angie: Slow drivers who drive in the fast lane!<br /><br />SR: What nicknames do you have? <br />Angie: Well, my real name is Angela so technically Angie is a nickname but people call me Ang. My boyfriend thinks its funny to misspell my name so he calls me Angula.</p></div>

<br />SR: What's your favorite food? <br />Angie: Definitely pasta. I love anything from Lasagna to Chicken Alfredo.</p></div>

<br />SR: What's your favorite Pizza topping? <br />Angie: I always go for the meatiest pizza so like a Meatlovers at Dominos... Yum!<br /><br />SR: What are two fun facts about you that people don't already know?<br />Angie: I am not a natural blonde, even though some people may think my personality says otherwise and I have a
