Atriana has a custom Matte Army Green wrapped EcoBoost Mustang of her own, but decided to shoot with her friend Breanna's Mustang this time. ♦ Atriana's Stang currently features an intake, straight pipe, and tune but she will be installing an intercooler and catless downpipes in December. She tells us, "If ShockerRacing was going to pay for any one mod to my Mustang, I would definitely want air suspension!" The poor car was recently hit by a bus that ran a red light, but she wasted no time getting the damage fixed back up. It is just waiting on having the wrap replaced on the section of the car that was damaged.

A few years back, Atriana moved to Texas and got more involved in the Dallas car scene. ♦ This is where she met Breanna and the photographer Dylan aka @dgzphotography. ♦ For her shoot she chose to wear a pair of our famous ShockerRacing Boyshorts to match perfectly with with the yellow and black theme of Breanna's Stang. ♦ The three of them found a random park on Lake Grapevine in Texas to use as the backdrop for the shoot.
