[!\[\]\(666e09182d4cd268646ea700ea60dcdf\_img.jpg\)](index.php/media/images/image?format=raw&type=orig&id=5506) Shocker Racing is all about the team work and community in the car industry. We work hard to promote each other and support our fellow car enthusiasts and models. Lately, we have been promoting this camaraderie on our social media, and it is very important to us that the ShockerRacingGirls grow and help each other grow together. Our newest model, Courtney Lynn, from Central NY as well as Official SR Model, [Lam](index.php/featured-rides/featured-articles/218-lam-with-boostilees-wrx-sti), have shown in this feature how fun it is to team up and work together to make magic. But first lets get to know our new model Courtney.

[!\[\]\(e9a80c8557f9285916925bd4ac40fff5\_img.jpg\)](index.php/component/banners/click/55) Courtney became interested in the Shocker Racing family from her co-worker Lam. You may remember Lam from her previous shoot: [LAM with @Boosti\\_Lee's WRX STI](http://mce_host/LAM with @Boosti_Lee's WRX STI). The two decided to team up for a co-photoshoot for Courtney's big entrance into Shocker Racing. Although it's not shown in this feature, Courtney drives a 09 Subaru Legacy GT limited. Her Legacy has an aftermarket Cobb turbo inlet, intake, Accessport, Agency Power downpipe, Magnaflow cat-back exhaust, and COBB blow off valve. Courtney told us if Shocker Racing were to pay for any mod to her car she would choose a dynotune or FMIC. Courtney gave Shocker Racing a little history on her car interest. Her first car was a 09 Subaru legacy 2.5i. Her father got her into the car scene, his interest in cars intrigued her. She also told us her dream car would be a 09 Subaru Legacy GT SpecB or a twin turbo B4 Legacy.

We loved Courtney and Lam's positivity about this shoot. They met up with photographer Bryan Maes of Inspiration Studios and car owners Barry and Cathy White in a central location to get some great night life shots. Barry and Cathy are a married couple that run a club called [NNY Imports](https://www.instagram.com/nnyimports_domestics/) in NY. Courtney Lynn posed with Cathy's Subaru and we asked what was her favorite detail about the car she posed with. Courtney told us My favorite details were the puddle lights she

had under the doors when you opened them. They were all different shades of blue and purple, they were awesome. Lam posed with Barry's car. She told us My favorite detail was actually the Homer Simpson sticker he has above the exhaust I thought that was hilarious!
