Coming in next, with blonde hair, blue eyes, and a gorgeous smile...Brandi Chojnacki brings her charm and enthusiasm to ShockerRacing. Brandi is a 20 year old waitress, who is fairly new to modeling. She has worked with Tyler Sorget Photography on occasion for the past two years,

but this was her first opportunity to be published. Brandi credits modeling for helping to boost her confidence.

Brandi currently drives a Pontiac Grand Am, which has been the only vehicle that she has owned. However, she hopes to someday own a black Ford Raptor. Needless to say, a Ford Raptor would fit Brandi's All-American Girl personality quite nicely.

SR: Are you single?

Brandi: Yes, I Am!

SR: What would an ex say is your best asset?

Brandi: That I am a social butterfly and my beautiful blue eyes!

SR: Favorite quote?

Brandi: "Never regret anything that has happened in your life. It cannot be changed, undone, or forgotten. So take it as a lesson learned and move on."

Now that we have taken care of the introductions, we can dive into the details of the photoshoot itself! With this being the third shoot that Tyler has set up for ShockerRacing, he knew it was time to find some new cars to shoot in addition to his 1969 Mach 1 Mustang. He didn't have to look far...it just so happened that a family friend, Howard Viegelahan, had recently bought a 2011 Shelby GT500 Convertible Mustang! The car is black on black; with silver stripes...Tyler knew that this was the perfect car to combine with the debut of the #GETOFFTHECAR ShockerRacing design.

The weather turned out perfect for the day of the shoot. When meeting at 9:30 in the morning at Tyler's, it was already 80 degrees, but that didn't stop this crew. The shoot started off with photos of the girls with Tyler's Mach 1 and a vintage gas pump. Each girl paired their individual ShockerRacing top with a pair of jean shorts, for that classic summertime vibe.

Shauna rocked her ShockerRacing crop tank; Brandi had her ShockerRacing tank in red, and Nicole wore her white and purple crop tee. Then, the girls moved under the shade tree in Tyler's front yard for some shots. Everyone soon found a routine of rotating through various individual poses. Nicole made a quick wardrobe change to her gray crop tee and ShockerRacing booty shorts for a couple of quick shots. From there, it was time to move the shoot to its second location.

Once at Howard's, the girls all rocked their new #GETOFFTHECAR ShockerRacing apparel! Tyler wasted no time getting a few shots of the girls with both his classic Mach 1 and the Shelby. However, his main focus was on the Shelby...and with permission the girls took full advantage of climbing in, on, and all over the car!

When asked about the photoshoot, each girl was kind enough to share their thoughts. The whole vibe of the shoot was awesome, it was a lot of fun and I felt very comfortable and confident! explained Shauna.

Brandi summarized the shoot with the following: I liked that it showed each girl's own personality and we all had so much fun. The shoot turned out great. It was a little warm, but we worked through it and got some amazing photos. Tyler did a wonderful job. He does an outstanding job and allows everyone to show their own style how they would like. I always look forward to future shoots! Thank you again, Tyler for getting me involved in the modeling experience!

Nicole reflected on the shoot with the following: Today was my first day working with two other models and it was a blast. It was great to be able to see our individual differences in group pictures, but also have some similarities, as well. It was exciting to be able to collaborate with so many minds. A big thanks to Tyler for another awesome day and photos to last a lifetime!
